Dear Parents/Carers

End of Term

Just to remind you that our final day of the school year is Friday 20 July and that we are closed for the children until the **Tuesday 4 of September 2018**.

Phonics and SATS Scores

We are delighted to share our Key Stage 1 Phonics Check and end of Key Stage 1 and 2 SATS scores with you. To have exceeded the National in every measure fantastic and something the children should be very proud of.

Whole School Closure Days

Please remember the school is closed for staff training on five days next year. All other holiday dates have been sent out and are available on our website.

Monday 3 September 2018

Friday 15 February 2019

Monday 22, Tuesday 23 and Wednesday 24 July 2019

Attendance

Our whole school attendance figure for this year is 95.9%, falling short of our school target of 97%. However, over 200 children met or exceeded school target, with 36 of those achieving 100% attendance for the year! We have been supported by Hays this year and children achieving 100% were entered into a draw for a £20 cinema voucher. Well done to all those children who were at or above school target and congratulations to our three lucky winners we hope to have even more children being entered into the draw next year.

Thanks to MPG

I am delighted to announce that the MPG raised a whopping **£4711.56** at the summer fair. This is simply amazing! A huge thanks goes to all those people who worked so hard to help create what was a simply lovely day.

Over the year, the group, I am delighted to reveal, have raised an incredible **£13,700** for the school. As you know it is very rare that I find myself speechless, but this is simply remarkable. I would like to thank MPG for all their hard work over the last year. You have all been tremendous and we are constantly astounded by your drive and enthusiasm.

The school is hoping to use the money to install some new outdoor equipment onto our playgrounds. We are waiting for quotes to come in before I will be in a position to explain our plans further.

PE Kits

I would like to remind parents to ensure that the children bring home their PE Kit for a well-deserved wash. Any lunchboxes found in school during the first week of the holidays will be destroyed!

Goodbye – Y6 and Staff

We all would like to say a fond farewell to all those who are leaving us on Friday. We would like to say goodbye to Mrs Buccieri. Tracy started working at the school in September 1998 and has played a major part in the life of our school since then. Mosborough will be a strange place without her and I am certain you will join with me in wishing her every success in her future ventures. Although I have a good feeling this won't be the last time we see Mrs Buccieri teaching at Mosborough!

We also must say goodbye to the children who are leaving us and going on to new schools. We wish you all the very best at your next place of learning.

Goodbye from Him

What an incredible year it has been! Yet again, the school has been showered with awards and recognition. However, at the heart of this continues to be the wonderful community we serve and in particular the simply fantastic children. They have worked hard and played harder. I hope they have all enjoyed their learning nearly as much as we have loved teaching them.

Finally, I would like to wish you all a great summer. I hope you are able to take a break and that the children come back to us fully refreshed and ready to start the new year.

Yours

Martin Fallon
